## Notes for the day

1. This swim meet will be conducted under Swimming Queensland (SQ) and Swimming Australia Ltd (SAL) rules.

2. All competitors must, at the time of competing, be a financial member of a swimming club which is duly affiliated with both Regional and State bodies.

3. The Marshalling Area is in the indoor basketball courts above the gym outside the pool complex. Competitors who do not register in this area when directed to do so may be denied entry to their events. The announcer and Marshalling Board will advise events which are required to be in the marshalling area. Once a swimmer has been marshalled for their race, they must remain in the marshalling area, or risk being scratched from the event.

4. Any swimmer who intends to withdraw from an event must notify the Marshals immediately.

5. The pool deck area must be kept clear to enable all officials to carry out their duties during the running of the meet:

- No person shall walk on the pool deck between the pool end and the timekeepers;
- No person shall stand on the pool deck between the pool and the recording area;
- No person shall enter the water between races unless instructed to do so by an official.

6. Races may be combined at the discretion of the Referee in consultation with the Marshal.

7. The age of competitors shall be as at 6 October 2018.

8. Late entries will not be accepted.

9. All protests are to be lodged, by the swimmer, coach or parent, with the Referee (together with a deposit of \$100), no later than 30 minutes after the announcement of results or disqualification.

10. The Referee will be the sole arbitrator of all disputes and his/her decision will be final.

## **Competitors' Notes**

1. The start rule used at this meet will be the 'one start' rule.
2. Rule tolerances will be applied to all 10 and under 25m races.
3. The Check Starter will position the swimmers in their lanes prior to the start.
4. The Referee will call the swimmers to their position on their blocks with a long whistle blast. For Backstroke events, the swimmers will enter the water 'feet first' then take their starting position upon the second whistle.
5. The Starter will give the command "Take your marks", the swimmers will assume their starting positions and remain stationary until the nominated starting device is sounded. Any swimmer may be disqualified if he/she delays the start or wilfully disobeys an instruction.
6. False starts will not be recalled and the offending swimmer will be disqualified at the end of the race.
7. At the completion of each heat, swimmers will remain in their lanes until the final swimmer has completed his/her swim, and will leave the water when directed to do so by the Referee. In the case of over-the-top starts, swimmers in the water will move immediately to the side of their lane and remain still for the start of the following race.

## **Warm up/Warm down**

1. The main competition pool will be available for warm up from 7:15am (10 lanes) until 8.15am. Please clear the main competition pool when the announcer requests it be cleared, to enable final testing of the timing equipment for the commencement of racing.
2. In the interest of swimmer safety, the following procedures must be observed throughout the warm-up periods in the competition pool:
  - **From 8:00am** - Lanes 0 & 9 are for 15m sprints (Tennis Court End) and 25m sprints (School End). Swimming back to the ends in these lanes at this time is not permitted. No turn practice is allowed.
  - Pool entry into Lanes 1 to 8 **MUST** be "feet first". There shall be no diving in these lanes. Swimmers must circle clockwise, keeping to the left hand side of the lane marking.

## **Results, Finals and Awards**

1. Results will be displayed on the notice board outside the female change rooms as they become available. Please do not approach the Recording Area or Timekeepers.
2. All 50m, 100m, and 200m events will be swum as timed finals as stipulated in the Meet Programme. Event place-getters (age category dependant) in these events (First, Second and Third) will receive medals. These will be determined from official times swum in the timed finals.
3. All swimmers in the 10 and under 25m races will receive a competitor's ribbon. No medals will be awarded.
4. All other events will be swum as time trials with no awards presented.

## **Food and Refreshments**

During the meet, food, coffee and a barbeque menu will be available near the pool Kiosk.
