## **Competitor Notes**

1. The start rule used at this meet will be the ‘one start’ rule.
2. The Check Starter will position the swimmers in their lanes prior to the start.
3. The Referee will call the swimmers to their position on their blocks with a long whistle blast. For Backstroke events, the swimmers will enter the water ‘feet first’ then take their starting position upon the second whistle.
4. The Starter will give the command “Take your marks”, the swimmers will assume their starting positions and remain stationary until the nominated starting device is sounded. Any swimmer may be disqualified if he/she delays the start or wilfully disobeys an instruction.
5. False starts will not be recalled and the offending swimmer will be disqualified at the end of the race.
6. At the completion of each heat, swimmers will remain in their lanes until the final swimmer has completed his/her swim and will leave the water when directed to do so by the Referee. In the case of over-the-top starts, swimmers in the water will move immediately to the side of their lane and remain still for the start of the following race.

2. In the interest of swimmer safety, the following procedures must be observed throughout the warm-up periods in the competition pool:
  - Lanes 0 & 9 are for 15m sprints (Tennis Court End) and 25m sprints (School End). Swimming back to the ends in these lanes is not permitted. No turn practice is allowed.
