# INTRODUCING THE ENDLESS SUMMER CLASSIC

## SWIMMER FOCUSED

The Endless Summer meet concept was birthed from a need for an exciting racing opportunity for committed swimmers who just fall short of Australian Age national qualifying standards. This meet is run just prior to Australian age nationals giving non- qualifying swimmers a meaningful championship meet to compete at the end of the season.

Get involved in the inaugural event in 2018!

# **COACH DRIVEN**

Rackley Swim Team prides itself on being Coach Driven. The Rackley coaching team saw a gap in the current competition schedule for Swimmers who just miss Age Nationals. Often swimming in a squad alongside the swimmers heading to Nationals this meet was designed to give those swimmers a LC season Championship hit out. We received strong support from coaches from across Queensland and Interstate. As a Swimming Queensland sanctioned event times achieved can be used as QTs for future events such as Qld State Championships in December.

## HONOURING DENIS COTTERELL

Denis retired from full-time coaching in 2017 and was a driving force in Swimming in Queensland and across Australia for what can be described as an "endless summer". He founded the Miami Swimming Club in 1976. Denis held the position of Head Coach at Miami Pool for 40 years creating great memories for thousands of swimmers who trained hard achieving what they aimed for. Denis worked with athletes from Club, Regional, State, National or International level in the pool, surf life saving and triathlon.

An internationally recognized Master Coach, Denis has been part of the Australian Coaching Staff for Olympic, Commonwealth & Pan Pacific Games, World Championships and many other International events. Denis is amongst a few coaches in the world that has coached an athlete on their Country's team in every stroke Male and Female. The first of these was in 1987 and his last in 2016 across these 4 decades there was rarely an International meet where Denis was not on the sidelines encouraging his swimmers to the finish line/podium. A true legend of our sport, the Rackley Swim Team are proud to acknowledge Denis's contribution to Swimming and to honour him through this inaugural meet.
